

Directions to St. Thomas University and Parking Instructions

Follow the link below to find the St. Thomas webpage. There, you will find directions to St. Thomas from all over town. On that same page, if you click on Parking, you will find a map for all the parking available on campus. Your best bet is to park in the Moran Center Parking Garage, at the corner of W. Alabama and Graustark. You will need either quarters or one dollar coins for the \$2.00 parking fee that is due upon exiting. Be very careful about parking in the streets around the University – watch the signs, stay 20 ft. away from fire hydrants, and make sure you park close to the curb – ticketing is a distinct possibility if rules aren't followed! HPD loves St. Thomas University!
